

3.3.3 Release Notes

Comala Share It 3.3.3

May 24th 2018

Comala Share It 3.3.3 is a bug fix release.

Bug fixes

- fixed an issue where mp4 videos would not play in shared pages
- fixed an issue where sharing a file with quotes in the file name was causing an error
- fixed an issue where PDF previews were not working on shared pages

Installation/Download

Install through the app manager or download from [Atlassian Marketplace](#).
