Comala Boards

A number of Comala Boards are available when the Comala Boards macro is installed. These can be [added to existing pages](#). New pages with boards can be created using one of the [Comala Boards blueprints](#).

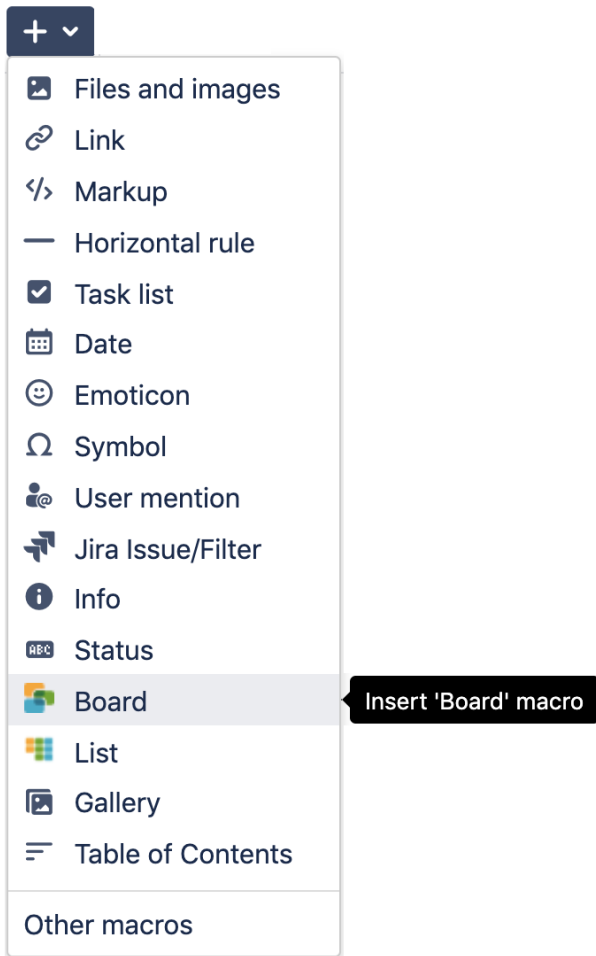

A number of boards are shown in the following pages.

- [Lean Startup Kanban Board](#)
- [MoSCoW Board](#)
- [Tasks Board](#)

You can add one of the boards from the **Macro suggestions** on the draft page.

Or simply add the Comala Boards macro to a draft page.

And browse the **Insert board** picker in the app to choose and add one of the Comala Boards sample boards to your page.
